Measured by:	Company:	Date Measured:	

Please complete all of the requested information before returning your measurements

Simply go to formal wear specialist, tailor or retail suit store and ask for "Out of Town Measurements". Some shops may charge a minimal fee for this service. Don't worry, it's worth it! The better the measurements, the better your tuxedo will fit. Also, be sure that your height and weight are accurate. Once the form is completed 100% you should then give your measurements to the company providing your rental outfit. Thank you!
